

SUPPORTER CONTRIBUTION

A supporter contribution provides credit unions with an opportunity to support and grow financial inclusion to millions worldwide while being recognized by the World Council and their peers as a change agent for the global credit union movement.

HOW A SUPPORTER CONTRIBUTION HELPS THE AND OF YOUR CREDIT UNION

FOSTER FINANCIAL EMPOWERMENT

By playing a key role in working with your peers in solving the challenges facing the global credit union movement, through a supporter contribution. As a supporter, World Council will share its stories from our project countries with you to share the impact of your philanthropy at your branches, with your members and your community.

GAIN A GLOBAL EDUCATION

In understanding how unique solutions are and being developed in collaboration with World Council, international and domestic credit unions to solve a myriad of challenges facing credit union systems, branches and member's lives. This critical work is funded by supporter contributions.

BE HIGHLIGHTED

By the World Council across its marketing platforms, at its international events and to the credit union industry for you seeing value in investing in and growing the global credit union movement.

WHY WE CARE: SCHOOLS FIRST CREDIT UNION

"Schools First is a proud Supporter of the Worldwide Foundation for Credit Unions as their mission is vital to sustaining and strengthening the global credit union movement. Our supporter contributions directly support the development and execution of World Council's international development programs. From Kenya in offering farmers the ability to grow their farming enterprises via agricultural lending to Colombia, where sending mobile banking officers to remote, rural areas to provide savings opportunities, World Council's work is the catalyst that grows the credit union difference internationally."

HOW YOUR SUPPORTER CONTRIBUTION MAKES A DIFFERENCE IN THE GLOBAL CREDIT UNION COMMUNITY:

\$2,500

Supports the implementation of a financial literacy program that encourages and educates youth to view agriculture as a means of income.

\$5,000

Covers the cost of a mortgage loan for a Haitian household to build a safe, durable, and affordable home.

\$10,000

Supports the development and distribution of an agricultural lending toolkit that trains farmers on better crop management techniques and good financial practices so they can increase yield, secure optimal market prices for their crops to feed their families and community.

\$15,000

Buys crucial supplies, tools and materials that help to rebuild a credit union damaged or destroyed in the wake of a natural disaster.

\$25,000

Delivers financial services through a mobile banking officer to 1,000 families and individuals living in rural areas and villages who cannot afford travel costs to visit a credit union.

\$50,000

Aids in executing technical assistance trainings for rural credit union staff and board members so they may better serve their members.
