

Worldwide Foundation for Credit Unions Ukrainian Credit Union Displacement Fund

Impact To Date & Future Plans

Worldwide Foundation for Credit Unions launched its **Ukrainian Credit Union Displacement Fund** as a response to Russia's full-scale war against Ukraine, to mitigate both short and long-term devastating impacts of the war to Ukraine's credit union system and by extension, those that look to it for support, including employees, members and communities.

Ukrainian Credit Union Displacement Fund

Success story

Credit Union Operations

Larysa Obozna,
Credit Union
CEO

Kharkiv Credit Union located in the east of Ukraine faced extreme challenges amid war because of regular shelling and many displaced clients. Still, due to the implemented WFCU programs they resumed operations.

“Thanks to the donations provided, we managed to resume lending to our members, which had been paused since Russia’s full-scale invasion.”

Member, Employee, Refugee Resettlement & Displacement Support

Challenge

Lack of accommodation and basic need support for 8M+ internally displaced Ukrainians

Solution

\$50,000 Immediate Displacement Support Program

Impact

8,000 internal refugees received humanitarian aid and shelters

Food Security & Agricultural Production

Challenge

Solution

Impact

Scarce supply of diesel fuel critical for credit union member farmers

\$100,000 Fuel Disbursement Program

17,000+ gallons of diesel fuel purchased and provided in coupons

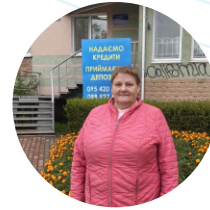

Financial burden on credit union micro producers caused by inflation

\$100,000 Partial Loan Reimbursement Program

1,354 micro producers got 10% of their loans reimbursed

Food Security & Agricultural Production

Tetiana Novyk,
Small farm owner

Tetiana Novyk, the owner of a small farm with 50 chickens and cows, and a member of Credit Union Koriukivska in Chernihiv Oblast, wanted to contribute to the food security in her community liberated from Russian troops in spring 2022. Using the funds reimbursed under the WFCU program, Tetiana was able to purchase additional fodder for livestock and poultry.

“For us, rural people, this is significant support”

2. Early Recovery 2023
